

TO OUR VALUED CUSTOMERS

On behalf of the entire Ellett team, I would like to extend our wholehearted appreciation for your support and business the past 75 years. During this time we have all seen good and bad times and weathered many storms together and we must continue to work together to overcome the obstacles and challenges that lay ahead of us .

Challenges continue to arise from constant scrutiny from groups such as PETA, The HUMANE SOCIETY, THE BRADY GROUP, HANDGUN FREE AMERICA and CEASEFIRE, INC. just to name a few . We must continue everyday to fight for our Constitutional rights that are guaranteed by the SECOND AMENDMENT.

I encourage each of you to continue your efforts to preserve the shooting and hunting sport by supporting, promoting and encouraging women and our youth to get involved in our great heritage. We must continue to support the NRA and THE NATIONAL SHOOTING SPORTS FOUNDATION. We must get involved with our government at the local, state and federal levels and let our voices be heard!

ELLETT BROTHERS is thankful to be a part of our great heritage and we will continue to support and fight for our Second amendment rights by getting involved and by serving and giving back to our community, to those in need, and organizations that contribute and stand up for the future of our great sport.

We are very grateful to be a part of your lives and truly appreciate your business. Our dedicated team will continue to work hard to support you and your business for many years to come.

Sincerely,

HEWITT GRANT
